Dear Participants,

We are delighted to welcome you to the Wolfssee Cup in Duisburg again this year.

In addition to the Wolfssee Cup, we are also pleased to be hosting the VDH German Championship and the State Championship of the DVG LV HRP.

The amendment to the Animal Welfare Act has brought new requirements for us as well.

**For participation in the Wolfssee Cup 2025, dog owners will need the following documents, and the following procedures will apply:**

1. Proof of a valid rabies vaccination is required.
2. The vaccination certificates of all participating dogs **will be collected at the registration desk between 8:00 and 9:30 AM** and kept there until the awards ceremony.
3. Copies of the vaccination certificates of **foreign participants** should be sent to us in advance by email to **meldestelle@nwag-nrw.de**, and we will forward them to the Duisburg Veterinary Office.
 4. In addition, a **current health certificate** must be presented. This can be issued using either the attached form or a **VDH health certificate** and must be **no older than 14 days**.
5. In the event that a participant already has an older health certificate, but t**he dog's health condition has not changed**, it has been agreed that it is sufficient for the attending veterinarian to **provide the existing** certificate with the current date and stamp it, instead of issuing a completely new certificate.
6. This **health certificate** (newly issued or stamped/dated) will be attached to the participant's vaccination certificate and performance card and will also be available for inspection at the registration desk **until the awards ceremony.**

- [Vereinfachtes Formular des Veterinäramt Duisburg](#)

I am confident that, based on this, we will find a good and feasible way to hold the event in Duisburg, ensuring the necessary controls.
Despite the increased bureaucratic and financial burden for participants, we hope for active participation.

Team Wolfssee looks forward to seeing you!
